Letter of Commitment for the CIAM Proposal/Mini-Thesis Course

The Student _____ has been
(Student Name....), (SID#.)
accepted to collaborate with me _____
(NAME OF RESEARCH MENTOR)
to carry out undergraduate research at my site _____
(Location of Research laboratory or field station)
The student will work on a project, entitled: _____
(TENTATIVE TITLE OF PROJECT)

The student will be supervised by me, as well as my graduate student (post-doc, technician)

(NAME OF DIRECT SUPERVISOR if applicable)

I agree to train my undergraduate research student in best research practices of my field as well as the Professional Ethics expected of a working scientists. I understand that this project will lead to the preparation of a research proposal and subsequent undergraduate mini-thesis as well as the presentation of a public poster presentation based on the data obtained from the project. I also understand that the student will be graded for his/her performance in the course and the grade will be based partly upon my written evaluation of the student's performance.
